Dear Mr. Weisberg:

I am very interested in the books you have written on assassinations. I have paperback copies of Volume II — Whitewash II and Oswald in New Orleans.

However, I can't find the other books you've published any place. So, if you have extra copies of:

(1) Whitewash I;

(2) Frame-Up on the Martin Luther King Assassination;

(3) Any other books you may have published;

I'd be most interested in ordering them from you. So, please do let me know what books you have, whether they're available in hard-cover or paper, and the price and I'll order them immediately. If you don't have any extra copies of the above books please let me know where I can purchase them if there is such a place.

Thank you for your consideration.

Very truly yours,

CHARLES WILHELM

P.S. — I opened the envelope to add this note. Are you familiar with the Peter Dale Scott book Legacy of Doubt? Published by Pinnacle Books, Inc. 75 — Madison Ave., N.Y., N.Y. If you are familiar with it — What do you think of it?
